OVERVIEW/SUMMARY

The RHS Housing Advisory Committee met for the last time on Wednesday, August 23rd, at the Lussier Family Heritage Center. Thanks to the HAC for your dedication, collaboration, and hard work over the 11 meetings! The project team briefly presented a recap of the HAC RHS process, and an outline of the in-process RHS report. Robert Procter, from the Realtors Association of South Central Wisconsin (RASCW), gave the last Strategy Spotlight presentation. He shared details about five pieces of recent state legislation, which equate to a historic \$525 million investment to support Wisconsin's affordable housing inventory.

HAC members answered questions through Menti to share feedback on: 1) the RHS vision statement; 2) annual countywide targets for housing unit production and acquisition/rehab, and 3) annual funding targets for the County and partner groups. After the Menti questions, HAC members networked at five celebration stations. The stations included an implementation station where HAC members could ask about next steps, video interviews about the HAC process, a photobooth, a postcard to your future self, and RHS bracelet-making. Stay tuned for the Dane County Regional Housing Strategy Action Plan!

TAKING THE NEXT STEP.

MENTI VOTING EXERCISE | VISION STATEMENT

WHICH VISION STATEMENT DO YOU PREFER?

OPTION 1: THE RHS EMBRACES AN EQUITABLE AND ENVIRONMENTALLY SUSTAINABLE VISION FOR HOUSING, WHERE RESILIENT AND CONNECTED NEIGHBORHOODS WITH A VARIETY OF HOUSING TYPES FOR ALL RESIDENTS ARE OUR BASIS FOR CONTINUED ECONOMIC GROWTH AND PROSPERITY.

OPTION 2: THE RHS ENVISIONS AN EQUITABLE AND ENVIRONMENTALLY SUSTAINABLE FUTURE, WHERE ALL RESIDENTS HAVE ACCESS TO QUALITY AND AFFORDABLE HOUSING IN CONNECTED NEIGHBORHOODS.

OPTION 3: THE RHS EMBODIES A DANE COUNTY COMMUNITY COMMITTED TO INCREASING ACCESS TO QUALITY, SUSTAINABLE, AFFORDABLE HOUSING FOR ALL RESIDENTS.

MENTI VOTING EXERCISE | UNIT TARGETS

The countywide unit targets shown below include the HAC's feedback on 1) the annual countywide targets for housing unit production and acquisition/rehab and 2) annual funding targets for the County and partner groups.

After adopting the RHS, around how many new-construction affordable units would you like to see produced annually in the county?

After adopting the RHS, around how many total units (including affordable and market-rate units) would you like to see produced annually in the county?

MENTI VOTING EXERCISE | UNIT TARGETS

After adopting the RHS, around how many existing affordable units would you like to see acquired and preserved annually as affordable housing?

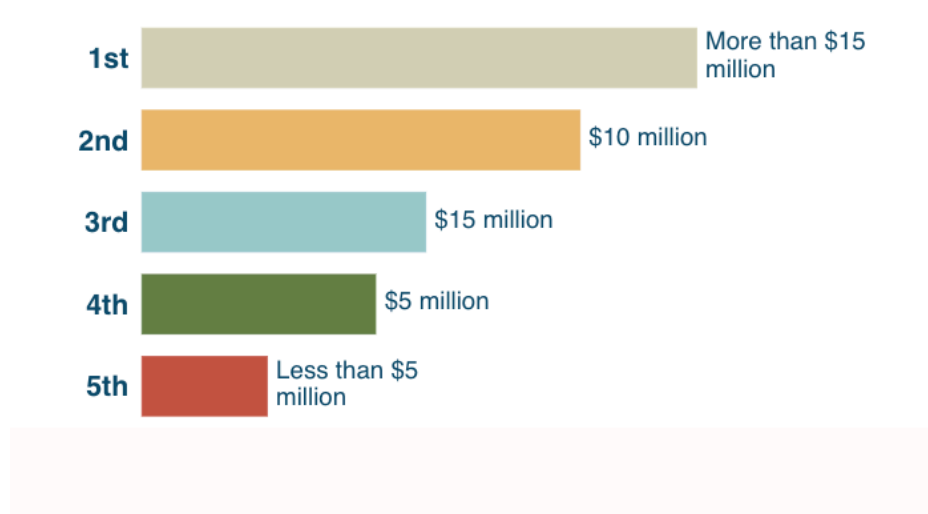

HAC MEETING #11 RECAP

TAKING THE NEXT STEP.

MENTI VOTING EXERCISE | FUNDING TARGETS

From the current baseline of \$7 million, how much additional funding should Dane County aim to contribute for affordable housing goals?

From the current baseline estimate of \$15 million, how much additional funding should housing partners aim to contribute for affordable housing?
