1. Top goals of what you're trying to do here.

- a. _____
- b. _____
- c. _____
- d. _____
- e. _____
- f. _____
- g. _____

2. Survey yes or no? (estimated \$1,000)

This is a fair amount of work and I need to get started soon if this is to be part of this process. We need to get feedback while it's still useful in this process.

3. What areas of concern do you have?

4. What areas of strength do you feel the Town has?

5. Do you have specific topic you would like covered?
